# VEINOPUS® back

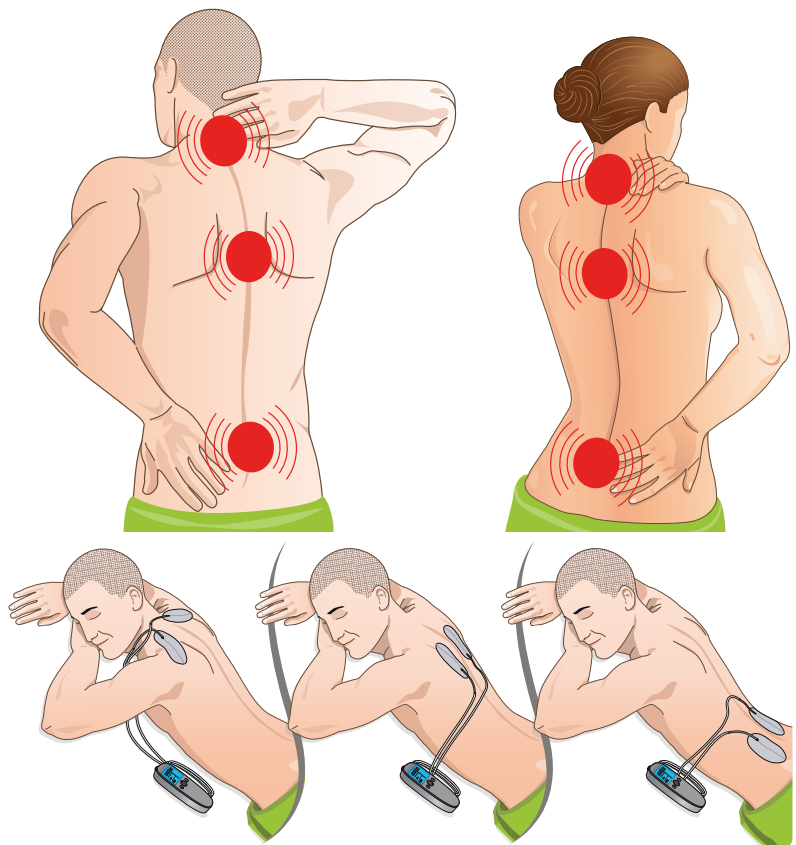

## New solution for back pain

Specifically developed to bring comfort and ease of use, **VEINOPUS® BACK** produces 4 effects aiming back pain relief, into one single stimulation program. It combines a complex and unique stimulation pattern, including a TENS\* component and a NMES\*\* component.

- Use **VEINOPUS® BACK** on painful areas or zones needing relaxation, when needed.
- The more you use **VEINOPUS® BACK**, the more effective it becomes.

**NO RISK OF OVERUSE!**

Can be applied on **upper, middle or lower back**

## Indications

- Soothe back pain
- Deliver a relaxing massage
- Relieve muscle spasms
- Release natural endorphins to relieve general pain

\*TENS: Trans Cutaneous Neuromuscular Stimulation

\*\*NMES: Neuro Muscular Electro Stimulation
